

H.3 - Patent ROI

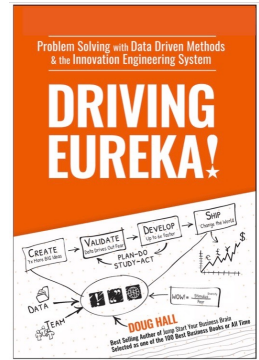

Patents Offer BLUE PRINTS and Stimulus for Innovations

Select one of the problems you identified in Exercise 2.3, and use patent searching to find stimulus you could use to help create potential solutions.

Step 1: Mind Map your challenge into parts and pieces,

Step 2: Identify key words to search,

Step 3: Use IE Labs Patent ROI, GooglePatents.com, or FreePatentsOnline.com to search for patents of interest.

Parts of the Challenge/ Innovation	Key Words to Search	Patents you found & what you found most interesting about them given to your challenge
